AFFORDABILITY RESTRICTIONS: Oyster Bay Gardens is a Low Income Housing Tax Credit (LIHTC) property that was made possible with financing that encourages affordable housing. The rents are significantly below the market rents. It is **not** a HUD (Department of Housing and Urban Development) subsidized property. Units are restricted to residents who must meet certain income limitation and other requirements.

- **SOLE RESIDENCE:** The unit must be the applicant's sole residence in order for the applicant to be eligible for housing.

- **INCOME LIMITS:** The following income guidelines are set for all residents. They reflect the current maximum amounts of household income for residents and are updated on an annual basis by information provided to management from NYHFA (New York Housing Finance Agency). If your household income exceeds these guidelines at initial occupancy, you will not be eligible for residence. Due to the financing commitments in place, management will not qualify any households that exceed the limits noted below. Oyster Bay Gardens, LLC has the legal responsibility to ensure that all residents are in compliance with the income limits at the time of move-in and are required to annually recertify each household before the household's anniversary date of occupancy.

The Income Limits are subject to change on an annual basis. Based on current information, your gross annual household income must be below either of the following at the time of final certification for occupancy in Oyster Bay Gardens:

AMI	1 Person	2 Persons
60%	65,640	75,000
50%	54,700	62,500

If the applicant refuses the apartment because it is above their income limit they will remain on the waiting list and be contacted again when a unit at their income limit becomes available.
